2.0 RETURN WINDOW AND CHANGE-OF-MIND RESTRICTIONS * 2.1 Non-Returnable Classification: The Groceries category is classified as strictly non-returnable. A physical return of the item is never required. * 5.2 Prohibition of Collection: Perishable and chilled items are never collected by couriers or logistics partners. Agents are strictly prohibited from generating return labels,

scheduling carrier pickups, or instructing customers to mail back perishable or chilled goods under any circumstances.
